ANNUAL REPORT 2020-21

Date :

Ref. No. :

The year 2020-21 was a tough year for everyone, for the students, parent, teachers, and management. This Wuhan Virus Pandemic had hampered offline and traditional classes. Yet the school ensured the learning process go unhindered regardless of the dire situation we were in. Thus the following initiatives were conducting are

1. Digital software such as Microsoft Teams, YouTube, and WhatsApp were used to conduct online classes without hindrance.
2. Regular evaluations and tests were taken online using in house facilities available in Microsoft Teams.
3. Involving student to monitor classroom and submission of its reports by parents were assigned on day to day basis to ensure sanctity and decorum in online classes and reports to be submitted to the principal
4. The school received the **confirmation for the up-gradation of affiliation** to Class XI & subsequently to CLXII on the **13th of October 2020**. Hence, the school was able to take admission neither of our own class X passed students or new admissions from other schools as by that time many parents had already taken admissions in other schools. Besides the Covid-19 Wuhan pandemic had also made the situation worse
5. The school in collaboration with the director of de-addiction center, Bongaigaon, conducted an online de-addiction classes on Tobacco, alcoholism, bad food habits and mobile addiction.
6. School provided counselling sessions to students and teachers at this stressful time by then Principal. Those required further assistance were notified to de-addiction centre Bongaigaon.
7. School launched a new School website as the previous website had a lot of limitations for frequent updates.
8. The school conducted the annual 'School Management Committee' (SMC) meeting dated 26/03/2020 to discuss on future of method to conduct classes due lockdown initiated by the government, it was decided to subscribe TEACHNEXT LMS for online classes and other forward action plan during this crisis. Later it was decided to opt for Microsoft teams as TeachNext Services was expensive and unfeasible especially during the current Wuhan Pandemic scenario
9. The school conducted class wise online parent's teachers association (PTA) meeting dated 28/03/2020 and subsequent days for actions related to the upcoming academic year due to pandemic and was informed about initiatives taken up to conduct online classes once the TEACHNEXT comes online. Later parents were showcased a better alternative to Teachnext and we Subscribed to Microsoft Teams for conducting the rest of our online classes.
