Academic Achievements 2020-21

Ref. No. :

The year 2020-21 was a tough for everyone, for the students, parent, teachers, management and the board. The pandemic of Covid-19 had really hampered offline and traditional classes. Yet the school tried hard and fast to sail through the rough waves to ensure the learning process continues regardless of the pandemic situation we are in. Hence the following activities were followed.

1. Online classes were conducted throughout the lockdown period using the digital platform such as Microsoft Teams, WhatsApp and YouTube.
2. Evaluations and tests were conducted online using 'Microsoft Teams'.
3. The school conducted online celebrations and jubilations of important days for the students and teachers such Children Day, Teachers' Day, Independence Day and Netaji Day.
4. During lockdown period we've ensured that books were corrected and transported towards parents as per the lockdown laws with appropriate covid-19 precautions.
5. Ensured uninterrupted classes with adequate screen out between the classes and at weekends for a stress free learning.
6. Introduced arts based learning across all the subjects using easily available materials to keep the classes interesting.
7. The school conducted all the tests in offline mode as per requirements for class-IX and class X when school resumed and as per Assam Government easing up of restrictions.
8. We've ensure 'leave no child behind policy' by encouraging peer/sibling learning and also providing social media platforms for learning.
9. Besides online test, class wise debates, drawing competitions, story writing, mask making competition etc. were conducted online.
10. Provided information about Toy fairs that was conducted online.
11. Counselling parents, students and teachers about the ill effect of mobile phone addiction.
12. We had 27 students of class X who appeared for the CBSE board in 2019-20 out of which 21 students passed and 6 students got compartment.
13. The school in collaboration with the local de-addiction center, Bongaigaon, the centre superintendent conducted online classes on de-addiction topics. We've also referred students and family who required assistance due to excessive mobile phone games such as pub-g, etc. and other addictive social platforms.

14. Ensured mobile free space between classes and weeks end to limit screen time as much as possible.
15. Along with the understanding and involvement of the parents classroom monitors were trained to ensure the decorum and sanctity of classes conducted online and to report it regularly to the principal.
16. Ensured water auditing in every house of the students to measure the amount of water usage that could be saved and the ways to save water was encouraged among students.
17. Ensured electricity auditing to save electricity at homes and asked them to use only when required it.
18. Ensured plantation drives at their own backyards to teach about the importance of plants and greenery in and around houses and location.
19. emphasized knowledge from parents and told parents to use maximum time now available during the lockdown to teach about cultural , folk songs , stories about their youth, the work they are into etc , so the student may understand the value of a family.
20. Conducted mask making session to create awareness about the importance of mask during this pandemic.
21. fancy dress competition was conducted online to celebrate the children's Day celebrations
22. Encouraged students to make small skits or dramas to educate others around on the importance of social distancing and precautions and keep them as status as well as sent it to the whatsapp and teams class groups
23. Conducted online speech and debates about the Covid-19 among the students.
